## Things to do

Truly immerse yourself in the Tudor period while visiting Thornbury Castle. Its grounds have such wonderful secrets to explore, and we are pleased to offer the opportunity to dive even deeper into Tudor tradition with experiences that glimpse into historical life in the Tudor period.

### Longbow Archery

After mastering the fundamentals of becoming an archer, with instruction on shooting a longbow from our Archery GB instructor, guests will be given the chance to participate in Tudor pastimes to see if they are able to match up to the archers of the period, while absorbing the history of Thornbury Castle and Tudor England's famous longbows.

### Axe Throwing

Accompanied by our qualified marshals, guests have the chance to throw hatchets and axes at a target in a safe environment in the picturesque grounds of the Castle. Need more of a challenge? Our marshals will challenge guests to a 'Throw-Off' – who can score the most points?

---

These experiences are offered by Battle Archery Bristol, and available for hotel guests on Saturdays and Sundays, subject to availability and weather dependent. Maximum of 6 persons per session. The experiences are subject to availability and additional costs will apply based on party size and activity desired. Each experience must be booked at least 48-hours in advance. Should guests cancel their reservation less than 24-hours prior to their experience, the full amount will still be payable.

### Thornbury Castle History Tours

Built in the 1500s, Thornbury Castle has housed kings, queens and dukes over the centuries, and we are so pleased to offer the opportunity of a guided historical tour with a local historian of both the inside and outside of the Castle. The tour starts with our local historian weaving a detailed history of the Castle and the people who have owned or lived here. Guests will then be accompanied around the Castle interior where the historian will highlight different features which can be seen, but not necessarily noticed. The tour then concludes outside in the grounds and gardens, where the fascinating architecture is discussed.

---

These tours are offered by the team at Thornbury & District Museum and available for hotel guests, subject to availability of the historians. Pre-booking is essential. A charge will apply to join a history tour. Please speak with our reception team to check availability and to make your history tour booking.
